## Developing Business Intelligence through Financial literacy

“Unleashing the killer Business  
person inside of You”

## Inside this Video you learnt ...

## The roles of Management and Accountant

### ○ Management

- Plan
- Do Business
- Check the financial reports
- Take action to ensure they are on track to achieve their Goals

## ○ **Accountants Support.**

- Turn a Plan into a Budget
- While Business is happening they keep the score by bookkeeping the activities
- From the books they produce reports of..
  - Profit and Loss
  - Cash Flow
  - Balance Sheet
- Business intelligence comes when we understand financial literacy

**“Go beyond the Numbers”** will cover the process from the start to the finish.

You will discover in the simplest way...

- How to understand the business process.
- How the accounting system flows.
- How to make sound business decisions.
- How to achieve your desired goals.

**How to get the most from your investment:**

***Hottest Tip!....***

*Hearing - Speaking - Then Doing*  
*This Is how You learn best*

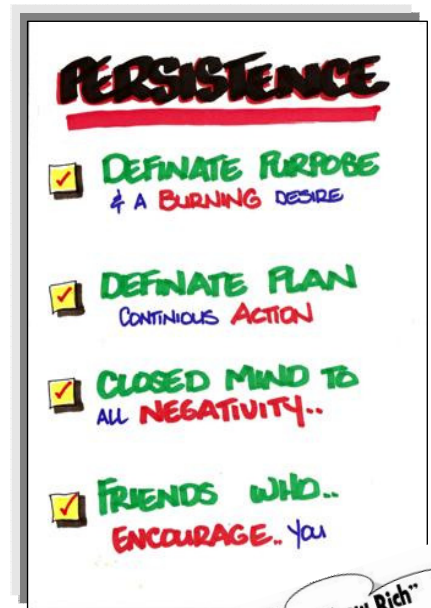

I encourage you to share your understanding with your learning Buddy. Tell them what the above charts mean to you.

Also take the time to draw the coloured charts yourself on A4 paper

Hang them on your learning wall in sequence

Watch your understanding grow before your eyes...
